

BACHELOR OF COMMERCE

The Bachelor of Commerce Programme is designed to equip students with an in-depth understanding and a working knowledge of the various disciplines of Economics and Finance as well as Management Studies. The programme encompasses core courses of Commerce like Accountancy, Costing and Management. To strike a balance between these are courses from other subjects like Law, Marketing, E-Accounting, Banking, Advertising, Business Communication and Economics.

The Bachelor of Commerce Programme equips the students with the competence to succeed in the rapidly changing global economy.

Students of the College have access throughout the year to the well-stocked, well-equipped and computerized library, with computer networks and subscriptions to journals, e-books and e-newspapers.

The Department conducts field trips, excursions and other extra-curricular activities and even organizes a state level event 'Insignia' which contributes to the complete, all round development of its students.

From the academic year 2017-18, as per the new guidelines of Goa University the College is following the Choice Based Credit System (CBCS) for the Commerce Programme. In the first 2 years (4 Semesters) common papers are offered to all students. Selection / Placement for the Honors Programme are done only at the Third Year level and the same will depend upon the academic performance of the students and the availability of seats. Titles of papers and selection of subjects will be done as per the Goa University guidelines and the decision of the Principal of the college.
