

MASTER OF COMMERCE

The Master of Commerce Programme draws on the strengths of the disciplines of Accounting and Finance as well as Business Management to provide students with advanced skills and knowledge to be competent for positions in the private and public sector depending on the specialization they choose. The program makes use of students' prior knowledge & skills and paves the path for them to achieve their academic objectives.

The programme is designed to offer specialized education through student-centric teaching methodologies. Students are encouraged to participate in classroom learning via PowerPoint Presentations, Debates, Role Plays and Case Studies. In order to enhance practical learning as part of the programme, students are taken for educational tours to organizations of national repute such as BSE, NSE, NSDL and RBI Monetary Museum. Field trips to various companies located in the industrial estates in Goa, workshops, seminars and organizing the annual event 'Passonic' also serves as a learning experience for the students. In order to provide students with a hands on job experience students are required to undergo 30 days or 4 weeks of mandatory summer internship in the field of Finance, Accounting and Management.

A large number of periodicals and books in the library as well as the Department's Book Bank facility caters to the needs of the students and provides them with a knowledge base that the course demands.
